Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Saturday 06 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Windy, with upland and coastal gales. Sunny Sunday.

This Evening and Tonight:
A largely dry but windy night with gales, mainly across Northumberland uplands and along coasts. Clear spells expected for most, and it will be feeling rather chilly. Cloudier with a chance of isolated showers across the Pennines. Minimum temperature 5 deg C (41 deg F).

Sunday:
Dry and sunny, although some patchy cloud possible, mainly in the west. Very blustery for a time, with gales in places, perhaps severe along the coast and locally inland. Maximum temperature 10 deg C (50 deg F).

Outlook for Monday to Wednesday:
Bright but cold start for Monday, then becoming cloudy with outbreaks of rain. Lighter winds. Tuesday and Wednesday will be breezy, milder and mainly dry, although chance of showers Wednesday.
